Suggestions: Pt-II Therapeutic syllabus is vast and lengthy so should include some part in Pt-III. Practical training in therapeutics and lab should be given more time than only once a week. A correlation regarding medicines with therapeutics should be developed by giving case studies with examples.

Ref. No.: MCOF/Canteen /2024-25/213

Date: 19/12/2024

To,
Mrs. Vidya Vikas Jape,
The Canteen In charge,
Progressive Education Society's Modern College of Pharmacy,
Nigdi, Pune-44.

Subject: Regarding the improvement in canteen services.

After the review of student feedback, it was found that, there are a few concerns that are to be resolved on an urgent basis.

1. Implement the use of an RO water system.
2. The canteen should be cleaned regularly.
3. The food rates should be revised, and more concerns should be given to food quality.
4. Healthier options are highly appreciated.

I kindly request your interventions in addressing these concerns and taking appropriate measures to improve the college canteen facilities. Enhancing the dining experience can create a more conducive environment for learning and promote student well-being. Thank you for your attention to this matter.
