Modern College of Pharmacy's Career Path 2023-2024

Title of Activity: Personality Development session in collaboration with Proctor and Gamble

Date of Activity: 1st April 2024

Time of Activity: 11:00am to 12:30pm

Collaboration: Proctor and Gamble

Name of Resource Person: Ms. Kanchan Yadav

Designation & Organization: Corporate trainer, College Konnect

Number of Participants: 100

Class of Participants: B Pharmacy, M Pharmacy and Pharm D Girls students

Objectives of activity: The program's objective were:

- To increase the inner confidence of the female students
- To improve their personalities
- To teach them about menstrual hygiene.

Online/Offline: Offline

Description of activity: During a session on personality development and female menstrual hygiene, held under their #myway program, over 100 female pupils were addressed by their expert, Ms. Kanchan Yadav. Students were invited to register online for the program by sharing the registration URL. The specialist spoke to the group on a variety of topics related to feminine hygiene. She talked about the causes of girls' low self-esteem during their menstrual cycle and offered advice on how to feel more confident. Participants received complimentary samples of a women's hygiene kit at the conclusion of the program.

Methodology/ Concepts/ Ideas learnt by students: The specialist talked about several facets of feminine hygiene. She talked about the reasons why girls have low self-esteem during their menstrual cycle and offered advice on how to feel more secure. She talked about how eating right, working out, and doing yoga every day can help with period pains.

Outcome of activity: The major outcome of the guest lecture was to boost the self confidence by developing ABC that is Appearance, Body Language and Communication Skills. They also got inputs about how to face interviews, taking charge of how they should present themselves during the interviews and about the importance of communication skills and body language.

- Introduction to innovative teaching methodologies
- Revised curriculum design

Online/Offline: Offline

Description of activity: In this 1 hr offline session the guest speaker gave the importance of Encouragement and consideration of academia-industry contact as a **component of education** is necessary. According to Sir Curriculum should be regularly reviewed and finalized in conjunction with industry experts. The freshmen's first understanding of the fundamentals of work skills will enable them to achieve their objectives.

Methodology/ Concepts/ Ideas learnt by students: Students learned about the expectations of the pharmaceutical industry for bridging the gap between academia and industry and also gained several valuable insights such as Importance of Collaboration, Role of Funding and Resources, Focus on Industry-Relevant Research, Understanding Industry Challenges, Innovation and Technology Transfer, Need for Specialized Skills, Intellectual Property Management etc.

Outcome of activity: The major outcome of the guest lecture is to **bridge the gap between industry and academics.** The students were informed about what actually a **Industry needs** such as ability to learn and unlearn, collaborative approach, work attitude, dedication and commitment etc.

Dear Sir,
Greetings from Grade E!

As per our interaction held on Tuesday related to the 'Placements based upskilling program', please find attached and stated below the details about the program:

A) What is Grade E?
Grade E's unique B-Skilling program conceptualized by the alumni of IIT Mumbai & JBIMS, Mumbai. The students of the program are handpicked through a rigorous selection process from 50+ colleges across Maharashtra, Gujarat & Madhya Pradesh. These students are then trained virtually by 30+ Corporate Managers (Accenture, Abbott, Infosys, ICICI Bank, HDFC Bank, Browser Stack, P&G, etc.)

B) What is the Syllabus of the program?
The students are upskilled on 3 areas: i) Functional: Sales, Marketing, Finance & HR, ii) Communication: English Speaking, Presentation skills, Mail Management, etc. and iii) Tools: MS Powerpoint, MS Excel & Digital Marketing

C) Is there an upfront fee involved?
NO, We do not charge any upfront fee to the students. Only when the students get placed, then we charge the program fee.

D) What details are required to start the program in your college?
i) A 30 mins classroom brief to the students about the program
ii) Selection Test

Can you kindly help me with a 30 mins slot where we can apprise the students about this unique program?

Best Regards,

Modern College of Pharmacy's Career Path 2023-2024

Title of Activity: Three days Soft Skill and Personality Development Workshop by Global Talent Track (GTT) Foundation

Date of Activity: 15th January 2024 to 17th January 2024

Time of Activity: 10:00 am to 5:00pm

Name of Resource Person: Mr. Rushikesh kadam

Designation & Organization of resource person: Corporate trainer, Global Talent Track (GTT) Connect

Number of Participants: 150

Class of Participants: Final Year B Pharmacy, Second Year M Pharmacy and 6th Year Pharm D

Objectives of activity: The objectives of the training are

- To give student a realistic perspective of work and work expectations
- To enhance soft skills
- To help formulate problem solving skills
- To guide students in making appropriate and responsible decisions.

Online/Offline: Offline

Description of activity: The Global Talent Track (GTT) Foundation's three-day Soft Skill and Personality Development Workshop was an immersive program meant to further participants' career and personal development.

The workshop's first day was devoted for discussing effective communication techniques. Active listening, presentation skills, and verbal and nonverbal communication strategies were all covered in interactive sessions with participants. Role-playing games and group conversations were among the activities designed to increase confidence and clarity in idea communication.

The focus of the second day was teamwork and leadership. Participants gain practical team cooperation techniques and fundamental leadership skills through a mix of workshops and team-building activities. Participants' understanding of the dynamics of leading and working within a team was facilitated by activities like leadership simulations and cooperative problem-solving exercises, which improves their capacity to inspire and oversee a variety of groups.

The course placed a strong emphasis on career development and personal branding on the last day. Participants receive guidance on developing a strong personal brand, creating resumes, and getting ready for interviews. Participatory exercises like personal branding and simulated interviews helped participants portray themselves professionally, which improved their chances of landing a job.

All things considered, the program offered a thorough developmental experience, giving participants the essential soft skills and personality traits they need to succeed in both their personal and professional lives.

Methodology/ Concepts/ Ideas learnt by students: Students were given different activities to perform such as Group Discussion, aptitude test, Mock interview, Debate, Role play etc.

Outcome of activity: The major outcome of the workshop is to develop effective communication, leadership, teamwork skills, initiative and motivation skills, problem solving ability and strong work ethics.

Modern College of Pharmacy's Career Path 2023-2024

Title of Activity: Orientation lecture on Sigma and Sigma Plus hiring by TCS

Date of Activity: 11th October 2023

Time of Activity: 11: 30 am onwards

Name of Resource Person: Mr.Hrishikesh Jayant Dhande, Dr K. M. Suceendran & Ms Lata Karki

Designation & Organization of resource person: Mr.Hrishikesh Jayant Dhande (Region Head-Academic Interface Programme), Dr K. M. Suceendran (Global Head of AIP) & Ms Lata Karki (Regional Talent Acquisition Head)

Number of Participants: 107

Class of Participants: Final Year B Pharm and Second Year M Pharm

Objectives of activity: The program's objective were to

- To provide mid-level applicants with career progression possibilities that correspond with their professional objectives.
- To ensure that candidates not only meet the technical requirements but also fit well with TCS's culture and values.
- To elevate TCS's competitive edge by recruiting top-tier senior talent who can lead strategic initiatives and innovation.

Online/Offline: Offline

Description of activity: The session started with signing of MOU with Tata Consultancy Services under the guidance of Respected Principal Sir through Academic Interface Programme followed by the felicitation of the team members. The Orientation Session was delivered by Mr. Hrishikesh Jayant Dhande, Dr. K.M.Suceendran and Ms. Lata Karki. They guided students regarding Sigma Hiring. The session was very informative and interactive and ended with question and answer session.

Methodology/ Concepts/ Ideas learnt by students: TCS has a rigorous technique in the Sigma and Sigma Plus hiring programs that is intended to effectively acquire, evaluate, and integrate elite talent. Using targeted job advertising and professional networks, the process for the mid-level professional Sigma program starts with finding and attracting applicants with relevant technical competence and experience. By taking a disciplined strategy, TCS is able to attract top personnel and facilitate their successful transition into the company, which in turn promotes long-term success and alignment with organizational goals.

Outcome of activity: The outcome of the Sigma and Sigma Plus hiring activities at TCS is a strategically enhanced workforce that aligns with the company's long-term objectives and operational needs. For the Sigma program, the successful hiring of mid-level professionals results in a bolstered technical team equipped with the skills and experience necessary to tackle current projects and drive immediate improvements.

Subject: Invitation for Guest lecture

Respected Sir,

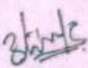

I hope this message finds you in good health and high spirits. My name is Dr. Anjali R. Kumbhar in charge of Guest Lecture cell Pharm D, and I am writing to extend a heartfelt invitation to you on behalf of PES's Modern College of Pharmacy. We are greatly impressed by your expertise and accomplishments in the Clinical Pharmacy Department, and we believe that your insights would greatly benefit our students.

PES's Modern College of Pharmacy is committed to providing our students with the best possible education and exposure to diverse perspectives. We believe that your knowledge and experience would be invaluable in achieving this goal. We would be honored if you could accept our invitation to deliver a guest lecture to our students.

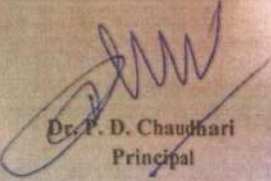

Please let us know at your earliest convenience if you are able to accept our invitation. Your presence at PES's Modern College of Pharmacy would be a significant addition to our academic community.

Thank you for considering our invitation, hope to welcome you to PES's Modern College of Pharmacy soon. Your contribution to our students' education would be greatly appreciated.

Thanking you,

Dr. A. R. Kumbhar

Speaker: Dr. Bharambe sir is currently working as an Assistant Manager in Clinical Pharmacy at P.D. Hinduja Hospital and Medical Research Centre, Mumbai. He has earned Doctor of Pharmacy education and nurtured a career in healthcare as Clinical Pharmacist having 8 year experience at the reputed and NABH/JCI/ISO Accredited Healthcare organisation in India. He was active participant in Clinical Audit and assessing the associated potential risks and strategies to manage such risks by making appropriate clinical interventions in discussion with other healthcare professionals. He had published article name of "Epidemiology of Poisoning and Perception towards Poison Management Guidelines in Pediatricians of a Rural Children's Hospital in India" on IOSR Journal of Pharmacy".

About the Event: The Department of Pharm.D – PES Modern College of Pharmacy, Nigdi under the guidance of Head of Department – Dr. Sunita Pawar and Guest Lecture Committee In charge – Dr. Anjali Kumbhar and Dr. Sanket Harimkar, organized a guest lecture on "Clinical Pharmacy Avenues – Comprehensive Career Guidance for Pharm.D Students", which was delivered by Dr. Dipak Bharambe Sir.

The session started with the introduction and welcome speech by one of our best anchor - Shiruti Moharkar. Dr. Bharambe Sir started the session by introducing us with the science and practice of rational use of medications and then followed by the applications of Clinical Pharmacy in certain fields like Pharmacology, Toxicology, Pharmacotherapy, Clinical pharmacokinetics, Pharmacoeconomics, Pharmacogenomics and etc., by providing appropriate examples of our day to day life to ensure that students understand the topic more effectively. He also introduced, the importance of the patient care and outcomes of the therapy and threw light on how important Clinical Pharmacist are, an important bridge between the physician and nurses. He also gave a brief role about each health care profession, such as the nurses play a role in administering the drugs by correct route, monitoring the vitals of patient and providing nursing care. Similarly, the role of a Physician is to diagnose, prescribe, monitor and provide medical care, whereas the pharmacist plays a vital role in prescription auditing, ADR monitoring, patient counselling, medical writing, and to provide pharmaceutical care to the patient and many other crucial works. The guest also highlighted the need and a role of a Clinical Pharmacists in today's world i.e., to reduce adverse effects due to unsafe care, decreasing the mortality frequency that usually happens due to carelessness of health care professionals, Importance of history interviews and etc.

Dr. Bharambe Sir gave a brief information regarding career paths, scope and wide range of options after Pharm.D studies. Some of the major paths are in Clinical and Hospital Settings such as Clinical Pharmacists, Managed Care Pharmacists, role in Pharmacovigilance, Pharmacogenomics and etc., also, in Industry Settings such as in Pharmaceutical Manufacturing, Medical Affairs, Clinical Research, Pharmacy Informatics and etc. Other settings like Public Health, Regulatory Affairs, Government sectors and etc. The Guest guided the students in understanding the career opportunities in abroad. He specifically mentioned the countries along with their respective entrance exams such as United states- FPGEE and NAPLEX, Canada- PEBC, United Kingdom - OSPAP, Australia- KAPS, Middle East- DHA, SPLE and etc. At the end of the session, sir answered some of the questions and queries by telling his real-life examples and experiences asked by the attending students.

Modern College of Pharmacy's Career Path 2023-2024

Title of Activity: Overseas job Opportunities for Pharmacists and Career Guidance

Date of Activity: 22nd September 2023

Time of Activity: 1:30pm to 2:30pm.

Name of Resource Person: Dr.Akram Ahmad

Designation & Organization of resource person: CEO Founder and Career Coach B
Pharm, Pharm D and PHD

Number of Participants: 40

Class of Participants: Final Year B Pharm, M. Pharm and Pharm D

Objectives of activity: The objectives of the Session was to

- The objective of exploring international positions is to expose pharmacists to diverse healthcare systems.
- To enhance their global professional network, and expand their clinical and research expertise.
- For pharmacists seeking careers abroad, the primary goal is to understand the requirements and opportunities specific to different countries, including licensing regulations, educational prerequisites, and professional standards.

Online/Offline: Online

Description of activity:In this 1 hour online session Dr. Akram Ahmad Sir not only focused on job opportunities in India but also overseas and what all is needed to grab the opportunities and cleared the doubts of the students regarding interview and soft skills. The session was followed by one-on-one personal discussion with the speaker.

Methodology/ Concepts/ Ideas learnt by students:

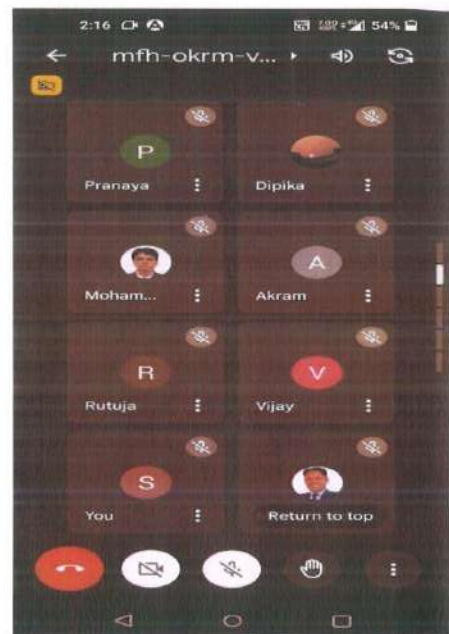

- To understand global demand and market trends is essential, as it helps identify regions with significant pharmacy needs and potential job openings.
- Each country has distinct licensing and certification requirements, so researching these thoroughly is vital for legal practice and job eligibility.
- Educational prerequisites vary internationally, and students must determine if their qualifications are recognized or if additional training is necessary.
- Language proficiency is also critical; improving language skills relevant to the target country can greatly enhance communication and integration.
- Adapting to a new culture involves engaging in cultural training and networking with locals and expatriates to ease the transition.
- Building a professional network through international pharmacy associations and global conferences can provide valuable connections and career opportunities.

Outcome of activity: The expected outcome of pursuing these overseas opportunities is multifaceted. Students can gain valuable international experience, enhancing their clinical skills and broadening their perspective on global healthcare practices. This exposure not only enriches their professional expertise but also positions them as competitive candidates for advanced roles in their home countries or internationally. Additionally, working abroad can foster personal development by adapting to new cultures, building a global professional network, and achieving personal growth through overcoming the challenges of relocating and integrating into a new environment.
