ABOUT US

KLE College of Pharmacy was established in 1968 in the pleasant environs of J.N Medical College, Belgaum, with the aim of providing quality education in pharmaceutical sciences. The courses started with Diploma in Pharmacy (1968) followed by B. Pharm (1975), M. Pharm (1988), the Ph. D Programmes (2000), M.Sc. in Clinical Research (2015) and eventually Pharm. D (2014). The institution became a constituent unit of KLE Academy of Higher Education and Research, Belagavi, [Deemed-to-be University] in 2009. Over the past 50 years of its existence the college has transformed into a centre of academic excellence, which is evidenced by unique milestones such as NBA and NAAC accreditation. The institution is ranked 17th among Pharmacy colleges all over India by NIRF (NIRF) in 2023. All courses at the institute are recognized by the PCI & AICTE. The institute has a strong alumni association with over 2000 active members, who are based globally at various positions in academics, Industrial, Regulatory and Entrepreneurial fields. The Institute is also recognized as a QIP Centre and is affiliated as CEP centre by Pharmacy Council of India. It is one of the two colleges in Karnataka to get the Pharm.D. Programme under the QIP program of PCI. KLE Prabhakar Kore Hospital & MRC, Belagavi is officiating as principal and the college is fortunate to have at its helm. College is fully supported by well-qualified and well-trained staff in every department.

INTRODUCTION AND OBJECTIVES

Basic Medical Skill Competency Workshop, where participants will acquire essential skills vital for health care. Through hands-on training and expert guidance, aims to empower individuals with the foundational knowledge and practical expertise necessary in medical settings.

An immersive learning experience designed to build confidence in fundamental healthcare skills. This workshop provides a dynamic platform for participants to develop proficiency in key medical competencies, ensuring a solid foundation for future endeavors in the medical field. Clinical pharmacist is one of the most important healthcare professionals who have professional training in industry, academics, regulatory and practice.

By practicing the basic medical procedures pharmacist can administer and also identify, monitor and report the possible adverse drug events of drugs and adverse events following immunization.

Gokhale Education Society

The Gokhale Education Society was established on 19th February 1918 by Priti T. & Kulkarni, who was a great social worker on the occasion of third death anniversary of Namdar Gopal Krishna Gokhale, Spiritual Guru of Mahatma Gandhi. The society has completed 106 years of meaningful existence & today has more than 140 units spread over three zones of Mumbai, Nashik, Thane/Palghar, serving 1.25 lakh students. Previously, Gokhale Education Society was led by Late Priti S. B. Pandit, President, a great visionary & eminent personality Late Sir Dr. M. S. Gosavi, Secretary & Director General, who rendered invaluable service of 65 years in the field of education. At present, Dr. Mrs. D. P. Deshpande, Secretary, playing crucial role in overall progression of Gokhale Education Society.

Association of Pharmaceutical Teachers of India

An association founded by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M.L. Schroll, Prof. G. P. Srivastava and others, have come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a common platform for bringing together teachers of pharmacy education across the nation. In the 58th year, today it has more than 15000 life members apart from a sizeable number of associate life members and student members from all over the country. The association with its noble ethos providing a robust platform for the bouncing avant-garde ideas of the members in the academic field through new and more advanced teaching methodologies, fabrication of drugs, computer-aided drug designs and other applications through interaction with industry, hospitals, regulatory bodies and community pharmacy.

GES Sir Dr. M. S. Gosavi College of Pharmaceutical Education & Research

(57) Abstract :

The present invention relates to the nanoparticulate formulation for wound healing wherein the propolis extract is capped with the calcium phosphate nanoparticles. The formulation is effective in enhancing wound healing by modulating the inflammatory response thereby reducing the clotting time of blood. The formulation further lowers the inflammatory markers and facilitate wound healing by promoting 10 fibroblast migration.
