**Objective of the FDP:**

- Stress is an outcome of any event or thought that makes one feels frustrated, angry, or nervous. Today, the biggest challenge to mankind is to deal with pandemics, lockdowns, news channels, social media, “work from home” culture and job retention.
- The proposed FDP is specially designed for teachers to destress and prepare them to face the challenges of “new-normal life”. This FDP will provide a platform for healthy interactions with the experts from Clinical psychology, Holistic healing, life coaching, TEDx Speakers, Wellness coaches, Yogic sciences, Bioenergy healers, NLP trainers etc.

**Participants:**

- Teachers and staff members of technical institutions, industry personnels, research scholars, PG scholars

**Eligibility for Participants:**

- The faculty members of the AICTE approved institutions, Research scholars, PG Scholars, participants from Government, Industry (Bureaucrats/Technicians/Participants from Industry etc.)

**DAY 1: 18<sup>TH</sup> OCTOBER, 2021**

**Inauguration ceremony: 11 am to 11:30 am**

AICTE has commonly organized the inauguration ceremony for 14 workshops across the nation. The workshop was inaugurated by **Prof. Rajbir Singh, Vice Chancellor, Maharshi Dayanand University,**

**Rohtak,** chief guest for the ‘Inaugural Ceremony’ and **Prof. M.P. Poonia, Vice-Chairman AICTE** was the guest of honor for the session. **Smt. Mamta Rani Agarwal Adviser-I** coordinated and hosted the session.

## ABOUT THE SOCIETY

Progressive Education Society was established in the year 1934 by Prof. Shankarraoji Kanitkar, who was a veteran teacher and a social worker. The society was established with an aim to provide education to all sectors of the community. Today, P. E. Society is headed by Hon. Dr. G. R. Ekbote who is the Chairman of Business Council of Progressive Education Society. Under his able guidance, P. E. Society is running 62 Institutes including schools, colleges and technical institutions imparting quality education from K. G. to Ph. D in the field of Pharmacy, Engineering, Law, Education, Agricultural Biotechnology, Management, Arts, Commerce and Science etc. The society is committed for the cause of the community since its inception.

## ABOUT THE COLLEGE

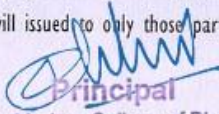

Modern College of Pharmacy was established in 1998 by P. E. Society at Yamunanagar, Nigdi in the close proximity of the industrial belt of Pimpri - Chinchwad. The name of Society and that of our college typifies the Society's mission to be "Progressive" in education and "Modern" in technical knowledge. The college has carved out a special niche for imparting quality education in pharmacy. Our College is approved by Government of Maharashtra (DTE), All India Council for Technical Education (AICTE) and Pharmacy Council of India. It is permanently affiliated to Savitribai Phule Pune University. College is accredited by UGC & NAAC and recognized under section 2f and 12(B) of UGC act 1956, New Delhi. Under the able leadership of Principal Dr. P. D. Chaudhari, college offers B. Pharmacy, Pharm. D, M. Pharmacy (Pharmaceutics, Pharmaceutical Chemistry, Pharmacology & Pharmaceutical Quality Assurance) and Ph. D in Pharmaceutical sciences. The college has secured All India Rank in top 75 colleges in pharmacy category by National Institutional Ranking Framework by Ministry of Human Resource Development Government of India New Delhi from last 3 years. The college has been awarded platinum grade rank in CII survey by AICTE New Delhi from last 3 years. The college has been awarded as "Best College in Professional Colleges' Category" by Savitribai Phule Pune University in 2015-2016.

**Game Pedagogy**

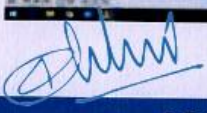

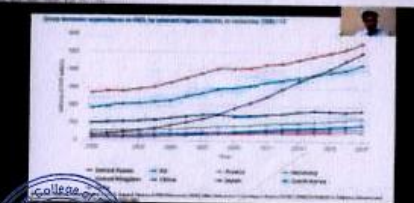

- The method that uses video games for learning purposes is known as **game-based learning**.
- The key lies in the fact that the **content and the skills** that you want to teach are not put across face-to-face class or in a book but rather through video games.

**Digital Revolution in Education**

- Does more computers in the institute make a difference in learning outcomes?
- No!!
- In fact, it has negatively correlated with performance of math in school.

**Discussion Points**

- High level of education across India and US
- Gross domestic expenditures on R&D by region, country, by industry

**Writing your proposal**

- Research funding applications are generally highly structured and are split into sections that will vary by funder and funding stream. Each section will include clear instructions, usually including strict word limits.
- Plain English summary
- Scientific abstract-The scientific abstract is a more detailed summary
- Background and rationale-why the research is important and relevant to your funder
- Research plan should provide a structured proposal
- Expected outputs and dissemination
- Management and governance-the results that you will deliver and how you will control the finances.
- Intellectual property (IP) provides the basis for protecting information, ideas and developments that your research can generate.

**Positive Interdependence**

Manage time together

- Students are tied together
- To your success to help
- Encourage helping each other
- Use set of answers from the group
- The workload
- Regular materials
- Collaborative
- Use set of materials to share
- Have goals for everyone

**What is Research ?**

- What is research?
  - To investigate
  - To collect information from many sources
  - To organize information in a meaningful way
- Why do we research?
  - To learn
  - For fun
  - To share information
  - To become an expert
  - For career advancement
- Who does research?
  - Scientists
  - Lawyers
  - Doctors
  - Teachers
  - Actors
  - STUDENTS!!!

**The Limitations of Cooperative learning**

- May cause disruptive behavior in large classes
- It is time consuming than traditional method of teaching
- All team members in a group do not complete the work well or at all
- Working arrangements will need to be more flexible

Types of literature reviews

- Narrative Review:**
  - Often appears as a chapter in a thesis or dissertation.
  - Describes what related research has already been conducted, how it informs the thesis, and how the thesis fits into the research in the field.
- Critical Review:**
  - Is like a literature review, but requires a more detailed examination of the literature, in order to compare and evaluate a number of perspectives.
- Spotting Review:**
  - Used at the beginning of an article, dissertation or research proposal.
  - Conducted before the research begins.
  - Sets the stage for this research by highlighting gaps in the literature, and explaining the need for the research about to be conducted.

### ABOUT ELITE INSTITUTE OF PHARMA SKILLS PUNE

Elite Institute of Pharma Skills is a premier institute at Pune location. They are carving out global pharma professionals in the field of Regulatory Affairs, Pharmacovigilance, Clinical research and medical coding. This is done through the highly effective skill development training programs conducted all over Maharashtra by the assorted experts from industry. They provide aspirants with the better approach in many fields and make them a industry ready candidates.

### SCOPE OF CONFERENCE

Medical coding is the translation of medical reports into a short code used within the healthcare industry. This helps to summarize medical reports into efficient, data-friendly codes. While complex and detail-driven, medical coding really comes down to knowing how to navigate the three main code sets: CPT, ICD, and HCPCS. These code sets help coders document the condition of a patient and describe the medical procedure performed on that patient in response to their condition. Through this conference We'll train you to recognize how code set is organized and how each should be used.

### OBJECTIVES OF CONFERENCE

- 1) To provide knowledge in medical coding in healthcare industry
- 2) To provide a platform for job opportunities in medical coding department
- 3) To get exposure for presenting E-Poster

**ABOUT THE SOCIETY**

Progressive Education Society was established in the year 1934 by Prof. Shankarraoji Kamitkar, who was a veteran teacher and a social worker. The society was established with an aim to provide education to all sectors of the community. Today, P. E. Society is headed by Hon. Dr. G. R. Ekbote who is the Chairman of Business Council of Progressive Education Society. Under his able guidance, P. E. Society is running 58 institutes including schools, colleges and technical institutions imparting quality education from K. G. to Ph. D in the field of Pharmacy, Engineering, Law, Education, Agricultural Biotechnology and Management. The society is committed for the cause of the people since its inception.

**ABOUT THE COLLEGE**

Modern College of Pharmacy was established in 1998 by P. E. Society at Yamunanagar, Nigdi in the close proximity of the industrial belt of Pimpri - Chinchwad. The name of Society and that of our college, typifies the Society's mission to be "Progressive" in education and "Modern" in technical knowledge. The college has carved out a special niche for imparting quality education in pharmacy. Our College is approved by Government of Maharashtra, All India Council for Technical Education (AICTE) and Pharmacy Council of India. It is permanently affiliated to SPPU. College is accredited by NAAC. College is recognised under 2f and 12(B) by UGC, New Delhi. Under the able leadership of Principal Dr. P. D. Chaudhari, college offers B. Pharmacy, M. Pharmacy (Pharmaceutics, Pharmaceutical Chemistry, Pharmacology & Quality Assurance Techniques) and Ph. D in Pharmaceutics, Pharmaceutical Chemistry and Pharmacology. The college has secured All India Rank 41 in NIRF Ranking 2017 in Pharmacy Category. The college has been awarded as best college in Professional Colleges by Savitribai Phule Pune University in 2015-2016.

**ABOUT HESDAR CENTER**

HESDAR Center is a higher education start up with a focus for pharmacy students, faculty and others to provide learning, skill development, action research and creating modern education workspace, leveraging latest technology and expertise of the board members. HESDAR is a leading center for training, research & development in higher education management in India with international quality. HESDAR Center is committed to provide skill development, training, research and development by offering programs in higher education sector and contribute as a TEAM in Nation Building through excellence in Higher Education.

**WHY THIS WORKSHOP?**

- Institutional effectiveness building, faculty development and quality assurance are integral parts of student learning & teaching.
- This workshop will actively engage participants in activities & discussions where they can learn and practice developing strategies in the following areas of effectiveness, quality in Higher Education & college transformation through digitization.
- In the Indian context we have adequate number of institutions. There is an urgent need to build quality & raise colleges to higher levels in the professional & national interest.
- Quality is the only engine of success. Quality tools with committed managements, capable faculty, excellent academic & general facilities and adequate digital tools can transform the colleges

**OBJECTIVES OF WORKSHOP**

At the end of the workshop the participants will be able to:

- Explain what constitutes institutional effectiveness
- Describe how fair & transparent feedback from students can contribute to institutional effectiveness
- List few critical parameters on which feed-back about courses & faculty can be designed
- Identify critical quality criterions in Higher education
- Enlist few digital tools & techniques to be deployed to better engage students in learning process
- Know how to transform the college through capacity building in faculty & best education practices

**REGISTRATION**

The seminar is mainly for the Heads of Pharmacy colleges, Principals, Deans, Directors, HOD's & Senior faculty, NAAC and NBA co-ordinators and Management/s keen to transform the college/s from various institutes who are keen to update their knowledge.

### SCOPE OF CONFERENCE

Most of the time complicated research problems cannot be solved by a particular discipline and it necessitates the collaboration of people of diverse expertise across a range of discipline together to achieve the research goal. By making a collaborative team of multidisciplinary experts it becomes conceivable to think beyond the routine knowledge. So, multidisciplinary research connects the members of diverse expertise to solve a particular research problem. This conference hopes to bring people of diverse backgrounds such as pharmaceutical, biotechnological, medical etc. on a common platform to discuss the opportunities for multidisciplinary collaborative efforts to provide affordable and excellent healthcare services. It also aims to unveil breakthrough technologies in healthcare research.

### OBJECTIVES OF CONFERENCE

- To provide an insight into multidisciplinary aspects of healthcare research
- To provide a platform for participants for gaining/ exchanging ideas in healthcare research
- To motivate participants for multidisciplinary collaborative healthcare research
