Sub :- New Version of "AutoLib" Library Automation Software.

Respected Sir,

We are very much thankful to you for purchasing our "Autolib" Library Automation Software. We are proud to have your renowned Colleges name in our client list.

In July 2008, we have installed "AutoLib" (Ver: 1) Library Automation software in your Pharmacy College. Warranty Period of one year has completed on 16th July 2009.

During the warranty period we have given best services towards the software support and customization. After warranty period we had send letter for AMC of the same software on 10th Aug 2009. After that also we have visited to college 2 to 3 times as a valued customer having multiple installations.

As per personal discussion with your Library In charge now we have latest version 3.0 of AutoLib Software. We are presenting the proposal for up gradation your existing software Ver. 1.0. to New Version 3.0 of "AutoLib". We are presenting the proposal for Annual Maintenance Contract (AMC) of "AutoLib".

The detailed proposal is enclosed for your kind approval. If you need any further clarification, we would be glad to discuss it with you in person. Thanking you and assuring you our best services at all times.

Yours Sincerely,
for Akash Infotech

E-resources Usage Statistics

Usage Statistics

How to check Usage Statistics?

College administrator can get the monthly usage statistics report in new format from July 2021 onwards. Usage Statistics can be downloadable before July 2021 through Old Usage Format.

The screenshot displays the INFLIBNET Usage Statistics interface. At the top, there's a navigation bar with 'HOME', 'ABOUT', 'MEMBERS', 'REGISTER', 'E RESOURCES', and 'SEARCH'. Below this, the 'USAGE STATISTICS' section is active. It features a 'Get Usage' button and a 'Summary Statistics of SEP - 2022' section with four key metrics: 174 Active Users, 12 Unique Users Logged In, 60 Times Logged In, and 128 Page Views. To the right, a bar chart shows the number of page views for various resources. Annotations with arrows point to 'Old Usage Format' and 'CSV, JPEG' options.

College Administrator can download the usage statistics month-wise, year-wise and visited pages by the clicking on the header (column name) of the table. He/she needs to click on export the usage report and it will be downloaded in excel format. He/she can sort out the usage statistics through year-wise, month-wise and visited pages as per the requirement.

College Administrator can download the month-wise usage report in CSV format as well as Usage chart in JPEG format.

The screenshot shows the N-LIST software interface. At the top, there is a navigation menu with options like HOME, GROUP, MEMBERS, REGISTER, and RESOURCES. Below the menu, there is a section titled "Daily Page Views" which contains a line chart showing the number of page views over time. A callout box points to the chart with the text: "Month-wise usage report can be downloadable in CSV format as well as Usage chart can be downloadable in JPEG format." Below the chart, there is a section titled "Installed Groups Summary" with an "Export" button. A callout box points to the "Export" button with the text: "Usage report can be exported in csv format." Below this, there is a table with the following data:
